**Dr. Lewis Rathgeber**

**DEAR FRESHMEN:**

It is with great pleasure that I welcome you, the Class of 1964, to Mansfield State College.

You are entering Mansfield at a time of great educational progress. Last year the Pennsylvania State Legislature deleted the word "Teacher" from the title of Pennsylvania's State Teachers Colleges.

This past summer the Board of Presidents approved Mansfield's general educational and professional curricula enabling the college to meet growing enrollment demands. The College's departmental structure has been enlarged and new courses have been developed to meet curriculum changes.

Mansfield is also undergoing a great change in the facilities of the college plant. You will be the first class to use the 90,000 volume library in the new Library-Administration Building; the first class to meet in the renovated Education Center Building; and the first class to use the new athletic field.

With your acceptance at Mansfield go many new personal and academic responsibilities. You will be expected to spend two hours of preparation for each hour of classwork. You will be responsible for completing your academic assignments on time and for critically thinking problems through to their conclusion.

In order to obtain a well balanced education you are encouraged to participate in the extra-curricular activities at Mansfield State College. The extra-curricular program offers you such opportunities as becoming part of a team, sharing in group activities, or becoming a leader in the organization of your choice. Working cooperatively with fellow students to achieve group goals through the democratic process is a fundamental of good living invaluable to successful citizens in all lines of endeavor.

Above all feel free to consult members of the administration staff, personnel deans, the faculty and your academic advisor. They want to help you make the transition from high school to college living as smoothly and quickly as possible.

Sincerely,

LEWIS W. RATHGEBER, Ph.D.  
*President*

### MANSFIELD HAIL

WILL GEORGE BUTLER  
Mansfield '97

Old Mansfield, high upon the eastern hill,  
Dear Mansfield, hail to thee!  
Thy loyal sons and daughters with a will  
Salute in melody.  
We bring a laurel wreath of praise,  
And pledge our love thro' all the days;  
Our Alma Mater, dear, all hail to thee!  
Old Mansfield, hail to thee!

The world is better for the beacon light  
Which thou has shed abroad,  
Strong hearts are stronger for the testing  
fight  
That leads men up to God.  
In all the varied walks of life, in peaceful  
paths  
and stress of strife,  
We find thy sons and daughters true to  
thee,  
Old Mansfield, hail to thee!

We never can forget the days we've spent  
Within thy hallowed walls.  
We'll learn sometime what all your lessons  
meant  
When larger duty calls.

For ev'ry law and rule of thine,  
Is made to fit our life's design.  
We'll consecrate our lives to Truth and  
thee.  
Old Mansfield, hail to thee!

### **RED AND BLACK VICTORIOUS**

Red and Black victorious,  
Push on to the goal;  
Fight to gain a victory,  
Mighty cheers will roll.  
Fight! Fight! Fight!  
Forward never faltering,  
Ours the goal to gain,  
And as we march on to the victory,  
Cheer for Mansfield's fame.  
Rah! Rah! Rah!

### **MANSFIELD VICTORY**

GEORGE SALLADE HOWARD

Mansfield, Mansfield, fight to her fame  
Touchdown, Touchdown, make that your  
aim.  
Let us fight on to reach the goal  
Let us retain our fame of old.  
And ever forward, forward, we're backing  
you  
M.S.C. loyal and true.  
We'll spread your fame through all the  
world,  
And always fight on to victory.

## **Cheers**

## Regulations for All Students

When a student registers, he binds himself to abide by the rules and regulations of the College.

The institution reserves the right to exclude at any time a student whose conduct or academic record or both proves unsatisfactory. A student judged out of sympathy with the spirit and ideals of the College will be excluded.

The College reserves the right to make any changes in the contents herein to conform with administrative changes.

The College also reserves the right to inspect all students' rooms.

### Academic Regulations

I. *Grades.*—The following symbols are used:

A — Superior

B — Excellent

C — Average

D — Passing

E — Incomplete

F — Failed

S — Satisfactory

U — Unsatisfactory

W — Withdrew

An E grade must be made up during the next semester where laboratory practice is not necessary. In case of specific laboratory techniques being involved the E grade must be made up in the semester when the course is next scheduled. All E grades not removed according to these instructions shall automatically become F grades.

## II. *Quality Points*

Quality points are given as follows: Each hour of A gives 3 points; of B, two points; of C, 1 point; of D, no point; of E and F, -1 point.

## III. *Quality Point Requirements*

1. For graduation a 1.0 average (C) is required.
2. If a student has a point average below 1.0 (C) in any semester of a cumulative point average below 1.0 (C), his case shall be referred to the Dean of Instruction. The Dean of Instruction may request the withdrawal of the student from college.
3. Failure to achieve a cumulative point average of 1.0 (C) by the end of the sophomore year will necessitate a request for the student's withdrawal from the College.

4. For a student teaching assignment a 1.0 (C) average in the fields of specialization is required.

#### IV. *Dropping Subjects and Changing Courses*

1. No course shall be dropped without a penalty grade of F after the third week of a semester beginning at the day of registration; prior to such time, the student may secure the approval of the instructor of the course, Director of the Department, and the Dean of Instruction for such withdrawal.
2. Students who desire to transfer from their Department must secure the written consent of the Director of their Department, the Director of the Department to which they request transfer, and, if under 21, parents permission, subject to the approval of the Dean of Instruction.
3. Students are classified according to the number of semester hour credits they have earned according to the following scale:  
Less than 32 credits—Freshman classification  
32-63 credits—Sophomore classification

64-95 credits—Junior classification

96 or more credits—Senior classification

### V. *Additional Work*

Students who wish to carry from one to three hours of work beyond the regular program for their semester must:

- (a) Make a 2.0 average for their previous work.
- (b) Secure in advance the written approval of the director of their Department, and the Dean of Instruction. These conditions cannot be met in the first semester of residence.

### VI. *Absences*

Responsibility rests with the individual student for a number of absences equal to the number of semester hours for which a course is offered. Students must not assume that absences equal to the amount of semester hours a course is offered are granted without justifiable cause. These absences are granted to cover emergencies. The absence system was not meant to give the student unwarranted absences from classes. Absence from class for reasons other than justifiable ones is regarded as evidence of neglect and indifference on the part of the student. Any subsequent

absences must be justified by evidence of a bona fide illness or equally justifiable cause to prevent loss of credit.

Students are urged to have absences recorded in the offices of the personnel deans—office of Dean of Women or Dean of Men—by presenting satisfactory evidence of illness or equally justifiable cause. Probationary students are the only people who need permission slips to re-enter class following an absence. These are cleared through the office of the Dean of Instruction.

If a student accumulates a number of unjustifiable absences in excess of the number of semester hours for which a course is offered, he may be dismissed from the course with a grade of "F". These cases will be reviewed in the office of the Dean of Instruction.

If a student accumulates a number of justified absences in a course equal to twice the number of semester hours for which the course is offered, the case must be reviewed jointly by the student's Department Director and the Dean of Instruction.

(\*) A student with a quality point average of less than 1.0 or a student accepted on probation may not be absent without a written permission slip from

the Office of the Dean of Instruction. Instructors should notify this office concerning absences of students on probation. Probationary students who cannot justify absences may be dismissed from the course with an "F" grade.

The responsibility for absences from announced tests lies with a student. Arrangements for retests must be approved by the instructor of the course.

Anticipated absences based on valid cause may be granted approval in the office of the Dean of Instruction, except for students in full-time student assignments. The student is responsible for having the justified absence recorded on his program card in the office of the Dean of Men or Dean of Women.

Students or student groups may be absent to attend those conferences and professional activities that are scheduled and arranged by inter-college organizations and sanctioned by the office of the Dean of Students.

Musical Organizations—more than two absences is likely to result in loss of credit.

Assembly—each absence after the second will result in the loss of a quality point.

*(See paragraph \* above)*

Absence from class twenty-four hours prior to the beginning of or twenty-four hours after the termination of a vacation will be counted as a double absence.

Any student who is ill and desires to go home must be granted approval to leave by the physician or nurse through the personnel Deans.

Anticipated absences based on valid cause may be authorized in the Office of the Dean of Instruction, except for students in full time student teaching assignments. Student teachers should clear such absences through the Director of Student Teaching.

Absences of Music Students attending the Pennsylvania Collegiate Music Festivals will be authorized in accordance with the scale based on accumulative grade point ratios and issued from the office of the dean of Instruction.

## VII. *Regulations Concerning Examinations*

The following policies concerning the administration of examinations have been adopted:

1. A minimum of three systematic evaluations of student achievements shall be made during each semester.
2. Semester grades shall be based on as many factors as possible, such as results of tests and examinations, projects, individual participation in class, term reports, individual special reports, laboratory work, field work, growth, and the like.

All library books, unless otherwise indicated, are charged out for 2 weeks with the privilege of renewal if not reserved for another borrower. Books with colored cards in them are charged out 7, 3, or 1 day only, and may not be renewed without special permission. The date due is stamped on the dating slip facing the back cover. All books are subject to immediate recall if needed for the Reserve Book shelf.

Library material which the student wishes to borrow must be signed for at the Circulation or Reserve Desks, and returned to the desk from which it was charged.

Reference books (marked "R"), bound magazines, and rare items such as some old books on Pennsylvania history, are restricted to use in the Library except by special permission.

Back issues of unbound magazines may circulate for 3 days and may not be renewed. Bound magazines must be used in the Library. They cannot be checked for outside use. No more than 3 may be charged to one person. Magazines do not go out over vacations.

The latest copies of magazines can not be taken out of the library except for the

hours during which the Library is closed. They are due as soon as the Library opens and the fines are the same as for Reserved Books.

All pictures will be charged out for 2 weeks with the privilege of renewal.

### Fines

1. Two cents a day including Sundays and holidays is imposed for each overdue book, pamphlet or periodical.

2. A 50 per cent discount is allowed for payment of fines at the time a book is returned. (This does not apply to Reserve Books.)

3. A student will be sent TWO notices for overdue library material or unpaid fines. If the matter has not been settled by the end of the FOURTH day after the second notice has been sent, the name of the student will be sent to the Dean of Instruction on the morning of the FIFTH day. The Dean will then exclude the student from all classes until satisfactory settlement of the student's library account is certified by the librarian.

4. Loss of a library book should be reported immediately to the librarian. Books not returned after the second overdue notice is received are considered lost and the borrower is billed for the material.

The student is given a period of time, free of fines, in order to search for the material.

5. There will be a charge of two cents a day on each overdue picture and a fine of 25 cents for each lost picture, except for especially fine prints. In this case the charge will depend on the original cost of the picture.

### **Reserve Books**

Books designated by faculty members as reserve material for the use of their students may be obtained at the Reserve Desk by asking for them by author and call number. Reserve books are listed in a notebook at the desk and are arranged under the names of the professors who have reserved them.

During the hours the library is open, reserve books are signed out to be used only in the library. They may be taken from the library during the hours it is closed providing they are checked out for that time. They are due as soon as the library re-opens, except those taken out over night. These are not due until 9:30 a.m.

**FINES.** The fine is 25 cents for the first hour, or fraction of an hour, and 5 cents for each succeeding hour or fraction of an hour. This fine is charged for overdue Reserve books until they are returned.

### **Recordings**

Phonograph records or recordings may be used in the music listening room. Head sets must be checked out at the circulation desk. Most recordings may be borrowed for out of library use. Some long-playing records and those in heavy use and needed by Music Education Department can be used by special permission.

### **Special Services**

The first floor of the library is designated as a reading reference room. The second floor is designated as a periodical room. Both floors are open stacks to all students unless otherwise designated, e.g. unbound periodicals will remain in closed stacks.

1. If the library does not have material needed it is possible that it can be borrowed from the Inter-Library Loan.
2. Information from unbound periodicals, reference books, etc., will be photo duplicated at the rate of \$.10 per page.
3. The browsing area is primarily for relaxation and reading. Serious studying should be done at the other end of the library room.
4. The Pennsylvania Room is set aside

The Student Activities of Mansfield State College are opportunities for young men and women to express their personal interests, talents and abilities and to secure socially constructive training and experience.

### **Social Activities**

Dances, parties, receptions, teas, formal and informal, provide wholesome recreation and entertainment for the student and at the same time present an opportunity for him to orientate himself to cooperative living and social poise.

### **Extra-Class Point System**

For the accomplishment of these purposes, each recognized extra-class activity office has been assigned a certain value in points, ranging from one to ten, the num-

ber being determined by the amount of work entailed by that activity.

No student may carry more than ten points per year and no student may serve as president of more than one organization at a time.

Extra-class points are not credited toward academic standing.

The point system is administered by a member of the Student Council. It shall be the duty of this member to enforce the point system to record all activities of students in card catalogs containing a card for each student.

## **Musical Organizations**

The musical organizations are so planned as to provide musical experience and additional musical instruction for students at their various levels of achievement. For this reason these groups differ materially from year to year. They all attempt to develop a high standard of ensemble technique and musical taste among the members, as well as to acquaint them with representative works of various musical styles.

Included among the instrumental organizations are the ORCHESTRA, BAND, and various CHAMBER MUSIC groups as well as practice groups, as are needed. While planned primarily to meet the needs of the students in the Music Education Curriculum, these organizations are always open to qualifying students from other departments.

Students majoring in Music Education are divided into two CHORAL ORGANIZATIONS. Corresponding to the instrumental chamber music groups are the MADRIGAL GROUPS and various ENSEMBLES of women's and men's voices, made up for the most part of music students. Opportunities in the form of separate choral organizations are provided for students from other departments who like to participate in musical activities but who can not qualify for membership in the organizations mentioned above. The various music groups are in considerable demand for performances in the churches, schools, and social organizations of the College area, as well as for College assembly programs.

By the acquisition of points through participation in intramural athletics, a woman student may become entitled to progressive awards; first a blazer, next an M letter, and ultimately a W.A.A. key. The senior student who is judged most

outstanding in the organization during her four years is chosen "Women Athlete of the Year." Meetings of the Association take place once a month. A picnic is held towards the end of the school year.

## **Procedures in Emergencies**

### **At Mansfield State College**

*The following procedures are to be observed during the course of any emergency on campus:*

#### **A. FIRE: All Fires, All Buildings**

1. Any person noticing a fire will break the glass on the nearest fire alarm station which are strategically placed throughout buildings on campus.
2. Upon sounding of alarm, all students, faculty and visitors inside building, will at once vacate building by use of the various exits.
3. Mansfield Fire Company should be notified immediately of the fire. TELEPHONE OPERATOR, GIVE NATURE OF EMERGENCY AND NAME OF BUILDING WHERE FIRE EXISTS AND INFORM WHETHER AN AMBULANCE IS NEEDED (in case of personal injury).
4. The first persons, either faculty or students, reaching any exit, will remain and station themselves at that exit so as to usher other students and faculty out of building in an orderly manner.

5. Faculty members will make certain that all persons, once having evacuated a building, be kept at least 100 feet from building or at a distance which is considered safe and so as not to interfere with fire-fighting equipment.
6. ONCE THE PROCEDURES HAVE BEEN FOLLOWED, THESE OFFICES SHOULD BE NOTIFIED IN RESPECTIVE ORDER:
  - (a) The Infirmary by phoning 32-M
  - (b) Mr. Melvin Thomas, Superintendent of Buildings and Grounds. Office 223-J; Home 504
  - (c) Mr. Theodore Spentzas, Business Manager. Office 495; Home 557
  - (d) Mr. Roy Pirritano, Administrative Assistant. Office 150.
7. In case of a localized fire situation, every effort should be taken by anyone to extinguish fire by use of the extinguishers placed on each floor of buildings on campus. IT IS IMPERATIVE THAT THE FIRE COMPANY BE CALLED EVEN IN THIS SITUATION AND THAT THE FOREGOING INSTRUCTIONS BE CARRIED OUT AS WELL, EXCEPT NOTIFICATION OF INFIRMARY.

8. In a classroom building, faculty members will, upon hearing alarm, immediately make certain that students leave the room in an orderly manner and will designate a student to station himself at the door of the classroom to usher students into hallways and will further make certain that all windows inside the classroom are closed prior to its evacuation whenever physically possible.

#### B. CLOTHING FIRE:

1. Whenever a person's clothing is on fire, every effort should be made to extinguish the fire by wrapping the person with other clothing or by rolling person on floor. After fire is extinguished, person should be kept comfortable and the INFIRMARY SHOULD BE NOTIFIED (TELEPHONE 32-M).

#### C. NATURAL DISASTERS. *Tornadoes, Hurricanes, etc.*

1. In all instances, persons will remain inside and if outside, will TAKE COVER inside and proceed to the basement of building. In these instances, either students or faculty should station themselves at all exits to insure no one leaves building, but that persons are directed to basement. UNTIL PROPER NOTI-

FICATION IS GIVEN, ALL PERSONS WILL REMAIN INSIDE OF BUILDINGS.

#### D. BUILDING COLLAPSE OR EXPLOSION

1. In the case of building collapse or explosion, every effort will be made to evacuate the building as quickly as possible using procedure for evacuations as outlined in Sec. A—FIRE SITUATIONS
2. Injured persons will be carried to safety whenever possible, kept comfortable until notification of infirmary, fire company, ambulance, police and college officials is made.

#### E. PERSONAL INJURY OR SICKNESS OR DEATH

1. In the case of a personal injury or sickness or death, immediate notification will be made to the infirmary and then to the operator asking for the ambulance, giving the building location. Until professional aid arrives, every effort should be made to keep person comfortable.

#### F. CIVIL DEFENSE

1. In CASE OF IMPENDING ENEMY AIR ATTACK, THESE INSTRUCTIONS WILL BE FOLLOWED:

(a) The fire alarm of the Mansfield Fire Department will be the official warning device. The **ATTACK ALERT** is a steady blast of the siren for three to five minutes. At this warning, all persons not in buildings will immediately enter one. Whenever radios are available, they will be turned on and tuned to **FREQUENCIES 640 or 1240 (CONELRAD STATIONS)**. The frequencies will be the only areas on the dial where instructions will be given. All other stations will go off the air.

(b) Whenever the **ATTACK ALERT** is followed by a **WAILING or SHORT BLAST OF THE SIREN FOR THREE MINUTES**, all persons should be inside buildings and at this time will proceed to take further cover by moving to lower floors and basement. **ALL UPPER FLOORS MUST BE VACATED**. Persons will station themselves at exits to insure no one leaves building.

(c) Following the wailing blasts (**ATTACK**), all persons must remain **UNDER COVER** until notified by a **WARDEN** or until the **ALL CLEAR IS SOUNDED**.

(d) The **ALL CLEAR** is identified as a **STEADY BLAST OF THE SIREN**

FOR ONE MINUTE. When the ALL CLEAR is sounded, persons may leave their shelter areas.

## G. RELEASING INFORMATION

1. So as to insure that proper and correct information can be related to the press and other individuals in time of an emergency, Mr. Roy Pirritano, representing the College, is the only person authorized to render any-and-all information to anyone, either press representatives or individuals, regarding any accident or emergency occurring on Campus, or to any of the College's students.
